

IRS 1095B FORMS TO BE MAILED FEBRUARY 19, 2019

As required by the Affordable Care Act, early each year you will receive an IRS form (called Form 1095-B) in the mail if you or your dependents have been covered under one of the Trust's medical plans during the 2018 calendar year. For each calendar month that you were enrolled in a medical plan, this 1095-B form documents that you (and any enrolled family members) met the federal requirement to have "minimum essential coverage," meaning group medical plan coverage. Having minimum essential coverage means you and your family members may not have to pay a penalty (called the Individual Mandate penalty) when you file your personal income taxes. Visit the Health Insurance Marketplace at <https://www.healthcare.gov/fees-exemptions/fee-for-not-being-covered/> for detailed information on this penalty.

If you receive a 1095 form, you will want to keep this form in a safe place because you may need to produce it if requested by the IRS.

Reminder: if you have not been covered by a medical plan during the prior calendar year you will not receive a Form 1095-B.

If you have been covered by various medical plans during a calendar year, you may receive more than one Form 1095. Questions about the 1095 forms can be directed to the Administrative Office at 213-386-8590 or toll-free at 1-800-293-1370.
