SmileDirectClub coverage is available to customers offering a UnitedHealthcare Dental Preferred Provider Organization (PPO) and/or In-Network Only (INO) plan that includes orthodontic coverage. Not all individuals are suitable candidates for invisible aligners. These services are intended for certain individuals who have mild or moderate orthodontic needs.

Certain preventive care items and services, including immunizations, are provided as specified by applicable law, including the Patient Protection and Affordable Care Act (ACA), with no cost-sharing to you. These services may be based on your age and other health factors. Other routine services may be covered under your plan, and some plans may require copayments, coinsurance or deductibles for these benefits. Always review your benefit plan documents to determine your specific coverage details.
